

CHIEBIDOLU CHINAEMEREM

Mobile & Full-Stack Web Developer

Email: chiebidoluc@gmail.com

Mobile: +2348121847635

Github: <https://github.com/chibx>

PROFILE

I am a highly motivated and passionate Full-Stack Web Developer greatly interested in coding, problem-solving, and continuous learning of new languages and frameworks. My enthusiasm for web development has driven me to gain practical experience in frontend, backend technologies, as well as, meta-frameworks, while creating stunning web and mobile application. I also loves to know about data structures and algorithms

Frontend Development

Languages: HTML, CSS, JAVASCRIPT

Frameworks/Libraries: VueJS, NuxtJS, React, Flutter (Mobile Development)

UI/UX: Responsive Design, Tailwind CSS

DevOps and Version Control

Version Control: Git, GitHub,

Deployment: Docker & Kubernetes

Backend Development

Languages: Node.js (JavaScript), and Deno (JavaScript)

Frameworks: NuxtJS & Express.js

Database Management: PostgreSQL & MySQL

API Development: RESTful APIs

Authentication & Authorization: JWT, OAuth

Testing: Vitest, Playwright

Soft Skills

Problem-Solving: Strong analytical and debugging skills

Communication: Excellent verbal and written communication

Collaboration: Team player with experience in agile methodologies

Adaptability: Very quick learner and ability to work in a fast-paced environment

Project Management: Time management, ability to handle multiple tasks, prioritization

Time Efficient: I am able to work quickly and efficiently in order to get certain tasks done

PROFESSIONAL EXPERIENCE

Web Admin (Intern)

Obiwezy Enterprise

2 years (2022 - 2024)

Interned at [Obiwezy Enterprise](#) as a Web Administrator, helped maintain the large codebase of their website and applications, while also ensuring efficiency and scalability of their e-commerce platform. I also gained a fundamental knowledge of Content Management Systems through the continuous use of Magento

EDUCATION

Computer Science

University of Lagos, Nigeria

(2024 - Present)

My background in Computer & Data Science provides me with a unique understanding of computers, mobile devices, and similar technologies. Despite being a learner, I find it nice to expand my horizon with knowledge about technology, and it's effects as I continue to grow and help the community grow as well
